STAT

2. Message Network Model

- * OC completed collecting the data needed for the pilot model.
- * The pilot model furnished by DCA had to be restructured to accommodate the collected data and the assumptions required by OC. OJCS began this effort of rewriting the model in two simulation languages - DCA's SQL language and IBM's General Purpose Simulation System (GPSS). OC will evaluate these results and recommend future activities.

STAT

3. [REDACTED]
